

Pesticide Application Notice

Pursuant to Public Act 103-0976, the public is hereby notified that the Village of Sandoval Public Works Department intends to apply an herbicide to public rights-of-way if such application is necessary. This refers to the public rights-of-way that the Village of Sandoval is responsible for maintaining – key areas include certain vacant lots, signage, sidewalks, and the park. The public is further notified of the following:

1. The intended location, date range, and range of times of herbicide and larvicide application are:

May 1 – September 30, 2025, 7:00am - 5:00pm, Monday to Friday. Locations – Village rights-of-way including (but not limited to) Village-owned and maintained trees, shrubs/bushes, grassy areas, parking lots, storm water facilities, signage, and sidewalks.

2. The intended location, date range, and range of times of pesticide application are:

July 1 – September 30, 2025, 5:00pm – 10:00pm, Wednesdays or Thursdays.
Locations – Entire village.

3. The brand name, common name, and scientific name of each product that may be used is: See page 2
4. The type(s) of herbicide contained in any product that may be applied include: See page 2
5. The reason for the use of the product(s) is: The treatment of turf grass, removal/prevention of weeds and pests.
6. The range of concentrations of end-use products(s) that may be applied is: See links on page 2
7. Any special instructions appearing on the label(s) of the product(s) are as follows: See links on page 2

8. Any person wishing to contact the Village of Sandoval Public Works Department regarding the planned pesticide application may call (618) 247-3845
9. For more information regarding pesticides, please see the Illinois Department of Agriculture website at <https://agr.illinois.gov/pesticides.html> or contact the IDOA Bureau of Environmental Programs at (217) 785-2427 or 1-800-641-3934.
